

# GALAPAGOS THE INSIDE STORY

*By Tui De Roy*

We're delighted to invite you to an abundantly illustrated slideshow on the half-century battle to preserve Galapagos, told by world-renown wildlife photographer Tui De Roy.

Tui arrived in Galapagos at the age of 2 and grew up and developed her art there. Her perspective is unique as she was there before the arrival of the Galapagos National Park or the Charles Darwin Foundation. Tui moved to New Zealand some 20 years ago and is Patron of Friends of Galapagos New Zealand.

This event is open to the public so please bring along your friends & family. Doors open at 5:30pm for a 6pm start.
